

Sec-IT

Certificate

TÜV SÜD Sec-IT GmbH attests

DARZ GmbH
Julius-Reiber-Str. 11
64293 Darmstadt

the successful validation of the Payment Card Industry Data Security Standard (PCI DSS) compliance assessment tasks listed below current at the time of the assessment:

Assessment Task	Validation	Result	Valid Until
Onsite Review	16-Nov-2020	passed	15-Nov-2021

This certificate is valid exclusively in combination with the Attestation of Compliance documents for the assessment tasks listed above at the time of validation. The company committed itself to use this only within the validity period. This certificate does not constitute acceptance of the validation documentation or endorsement by any card scheme or the PCI Security Standards Council.
